

# Tyler Funnell

Vancouver, Canada

(604) 999-3511

[tyler.funnell@gmail.com](mailto:tyler.funnell@gmail.com)

## EDUCATION

- Since 2011 **MSc Bioinformatics Candidate**  
University of British Columbia
- 2004–2009 **BSc Computer Science**  
University of Northern British Columbia  
GPA 3.99
- 2007–2008 **Certificate Japanese Studies**  
Osaka International University  
Graduated top of class

## EXPERIENCE

- Since 2012 **MSc Candidate**  
Shah Lab, BCCRC, Vancouver, Canada
- Studying regulation mRNA processing.
- 2012 **Rotation Student**  
Gaffney Lab, Wellcome Trust Sanger Institute, Hinxton, UK
- Investigated the relationships between promoter features in lymphoblastoid cells and their effect on gene expression.
- 2012 **Rotation Student**  
Wasserman Lab, CMMT, Vancouver, Canada
- Analyzed mouse cerebellum transcriptome time-course data to identify transcription factors essential to cerebellum development.
- 2011 **Rotation Student**  
Pavlidis Lab, CHiBi, Vancouver, Canada

- Worked on a method for measuring accuracy of metrics comparing “interesting” gene lists obtained from studies performing differential gene expression analysis.

2009–2011 **Software Engineer**

Goldstream Publishing Inc., Prince George, Canada

- Designed and helped implement a new web-based method of organizing and searching data based on that data’s geospatial footprint.
- Developed ways of generating geospatial meta-data and searching the stored information in a way that is intuitive to the user and provides useful results.

2005–2009 **Student Lab Assistant**

UNBC Help Desk, Prince George, Canada

- Provided user support for university computer and internet services.
- Monitored computer labs and printers, ensuring users experienced a certain quality of service.

2007–2008 **English Tutor**

Osaka, Japan

- Assisted with teaching children of various ages, helping increase exposure to the English language and western culture.
- Taught private English lessons for adults, improving ability of the student to communicate effectively with English speakers.

Summer **Data Integrity Tester**

2007 Northern Health (Health Link North project), Prince George, Canada

- Tested functionality and data integrity of the Cerner ERM (Electronic Registration Management) solution.
- Regularly conferred with ERM team members to ensure accuracy of ERM solution’s functionality and data.

Summer **Research Assistant**

2006 UNBC Professors Desanka and Jernej Polajnar, Prince George, Canada

- Developed Java software components for research project.
- Assisted in developing algorithms used in software simulation.

## AWARDS

2014 **Mitacs Accelerate**

\$15,000

Awarded to qualified research projects following expert review.

- 2012 **College for Interdisciplinary Studies Graduate Award**  
\$415.61  
Awarded based on academic merit.
- 2011 **CIHR/MSFHR Bioinformatics Training Program for Health Research**  
\$22,000/year; 2 years  
Awarded based on academic merit.
- 2011 **College for Interdisciplinary Studies Graduate Award**  
\$2,000  
Awarded based on academic merit.
- 2007 **One World Scholarship — Irving K. Barber British Columbia Scholarship Society**  
\$3,000  
Awarded based on academic merit, the students' educational objectives, institutional and/or community involvement, and readiness for participation in an overseas exchange program.
- 2007 **UNBC In-course Scholarship**  
\$1,200  
Awarded based on academic excellence.
- 2006 **UNBC In-course Scholarship**  
\$1,200  
Awarded based on academic excellence.
- 2005 **UNBC In-course Scholarship**  
\$1,200  
Awarded based on academic excellence.
- 2004 **Academic Excellence Award**  
\$536.46  
Awarded based on academic excellence. Tuition waiver for one 3-credit course, application fee waived for UNBC.
- 2004 **Provincial Scholarship Award**  
\$1,000  
Awarded to high school graduates based on provincial exam results.

2004 **Innovation Resource Centre Scholarship**

\$500

Awarded to students who plan to pursue a degree in a technology related field.

2004 **Nukko Lake Elementary Scholarship**

\$250

Awarded to students based on academic excellence and financial need.
